

WE LOVE YOUR PETS!!!

Large dogs are welcome here; however, for the safety of our residents and other pets, breed restrictions apply. Dogs of a class with a known vicious or aggressive propensity will not be permitted. These breeds include, but are not limited to:

- Pit Bull Terriers
- Staffordshire Terriers
- Rottweilers
- German Shepherds
- Presa Canarios
- Chows Chows
- Akitas
- Wolf-hybrids
- Cane Corsos
- Alaskan Malamutes
- Siberian Huskies
- American Bull/Bully Bulldog Terrier
- De Presa Canario
- Tosa Japones

Dogs weighing 50lbs. or more are required to be on the first floor.

Dogs considered a "mix" of any of these breeds will not be permitted. All dogs are required to meet with the management staff and have a photo taken for final approval prior to move in. Each pet will be required to have updated veterinarian records showing all shots completed, including rabies. Management reserves the right to refuse any dog residency should they feel uncomfortable with a dog's behavior, no matter the breed.

Thank you for your understanding.
